All statements made by the Policyholder will, in the absence of fraud, be deemed representations and not warranties.

NOTICE OF CLAIM: Written notice of claim must be given to the company within 20 days after the occurrence or commencement of any loss covered by this policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the claimant to the Company or its authorized representatives with information sufficient to identify the claimant shall be deemed notice to the Company.

CLAIM FORMS: Upon receipt of a notice of claim, the Company will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within 15 days after the giving of such notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

PROOF OF LOSS: Written proof of loss must be furnished to the Company at its said office within 90 days after the date of such loss. Failure to furnish such proof within the time required will not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible. In no event except in the absence of legal capacity shall written proofs of loss be furnished later than one year from the time proof is otherwise required.

TIME OF PAYMENT OF CLAIM: Benefits payable under this policy for any loss other than for loss which the policy provides any periodic payment will be paid immediately upon the Company's receipt of due written proof of the loss. Subject to the Company's receipt of due written proof of loss, all accrued benefits for loss for which this policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the Company is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

PAYMENT OF CLAIMS: Upon receipt of due written proof of death, payment for loss of life of an Insured will be made in accordance with the beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such beneficiary designation is effective, payment will be made to the Insured's estate. If an Insured dies before all payments due have been made, the amount still payable will be paid, at the option of the Company, either to such beneficiary or to such estate.

Upon receipt of due written proof of loss, payments for all losses, except loss of life, will be made to (or on behalf of, if applicable) the Insured suffering the loss.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for his or her property, a payment not exceeding \$1,000 may be made, at the Company's option, to any relative by blood or connection by marriage of the payee, who, in the Company's opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

Any payment the Company makes in good faith fully discharges the Company's liability to the extent of the payment made.

PHYSICAL EXAMINATION AND AUTOPSY: The Company at its own expense has the right and opportunity to examine the person of any individual whose loss is the basis of claim under this Policy when and as often as it may reasonably require during the pendency of the claim and to make an autopsy in case of death where it is not forbidden by law.

LEGAL ACTIONS: No action at law or in equity shall be brought to recover on this policy prior to the expiration to 60 days after written proofs of loss have been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of 3 years after the time written proofs of loss are required to be furnished.

RIGHT OF SUBROGATION: To the extent the Company pays for a loss suffered by an Insured, the Company will take over the rights and remedies the Insured had relating to the loss. This is known as subrogation. The Insured must help the Company to preserve its rights against those responsible for the loss. This may involve signing any papers and taking any other steps the Company may reasonably require. If the Company takes over an Insured's rights, the Insured must sign an appropriate subrogation form supplied by the Company.

RIGHT OF RECOVERY: Payments made by the company which exceed the Covered Medical Expenses (after allowance for Deductible and coinsurance clauses, if any) payable hereunder shall be recoverable by the Company from or among any persons, firms, or corporations who are obligated in respect of any covered Injury or Sickness and their liability may appear.

MORE THAN ONE POLICY: Insurance effective at any one time on the Insured person under a like policy, or policies in this Company is limited to the one such policy elected by the Insured Person, his beneficiary or his estate, as the case may be, and the Company will return all premiums paid for all other such policies.

INCONTESTABILITY. The validity of this Policy will not be contested after it has been in force for two year(s) from the Policy Effective Date, except as to nonpayment of premiums.

ASSIGNMENT. This Policy is non-assignable. An Insured may not assign any of his or her rights, privileges or benefits under this Policy.

MISSTATEMENT OF AGE. If premiums for the Insured are based on age and the Insured has misstated his or her age, there will be a fair adjustment of premiums based on his or her true age. If the benefits for which the Insured is insured are based on age and the Insured has misstated his or her age, there will be an adjustment of said benefit based on his or her true age. The Company may require satisfactory proof of age before paying any claim.

WORKERS' COMPENSATION. This Policy is not in lieu of and does not affect any requirements for coverage by any Workers' Compensation Act or similar law.
